SPEAKER LUEDTKE: Also want to take this opportunity to introduce Steve Carsten, son of Senator and Mrs. Cal Carsten over under the South balcony. Steve, would you stand up please and be recognized. Welcome, Steve. Introduction of any bills, Mr. Clerk.

CLERK: None, Mr. President.

SPEAKER LUEDTKE: Proceed then to Final Reading. All members please return to their seats. All unauthorized personnel leave the floor. We are about to take up Final Reading. Proceed then with LB 30.

CLERK: Mr. President, a motion on the desk. I remove to return LB 30 to Select File for a specific amendment. The specific amendment is computer printout request #2504. What it essentially does is reduce the food tax credit to \$20 for 1977 and eliminate the sales tax on food in 1978. Read signers of motion. (See page 632, Journal.)

SPEAKER LUEDTKE: The Chair recognizes Senator DeCamp.

SENATOR DeCAMP: Mr. President, I don't think there is any reason for a great deal of debate. The subject has been debated very much, and as the Clerk stated, it is very simple, to return it for the specific amendment, the amendment reducing the \$24 to \$20 because I don't think \$24 has the strength to pass and \$24 would, in effect, be a rebate, a rebate of money not even paid in. I would ask just for a roll call vote on the motion and go from there.

SPEAKER LUEDTKE: You are asking for a roll call vote at this time.

CLERK: Two excused and one absent.

SPEAKER LUEDTKE: The Chair recognizes Senator Swigart.

SENATOR SWIGART: Mr. Chairman and colleagues, can we speak to whether or not we return it?

SPEAKER LUEDTKE: Yes, the motion before the House is the return of LB 30 for a specific amendment.
